HOW TO GET A JOB DONE

---

PROOF

I will send you a numbered e-mails with files attached for proff-reading untill the final approval.

File-names for proff-reading starts with a number and ends with a job-number. These files cannot be used for printing.

APPROVAL

You will send me an e-mail to confirm the approval. I will send a RTP-file to you or an e-mail of your choice.

File-names for RTP-files always starts with the word "RTP" = ready-to-print file.

## HOW TO GET THERE TOGETHER

---

Communication is an important priority for me; this creates a better experience for all of us - no delays due to misunderstandings and it helps me to create a great graphic design.

Good customer service starts with a team spirit and a common integrity for the project ahead and ends with a well done job, that meets deadlines at a reasonable price for you.

Best regards  
Gerd Wassmann
